

Welcome to Quilt Beginnings. Thank you for taking a few moments to enjoy our latest newsletter.

We have a full line up of classes and special events this fall. Whether you are brand new to the quilting world or a seasoned quilter we've known for years, we hope you'll find a class or two just perfect for you.

You deserve the best sewing experience you can possibly have. We believe using the best tools available helps ensure perfect results. That's why we proudly carry Pfaff and BabyLock sewing machines & sergers. We would love to show you how a new machine will take your passion for sewing to a whole new level.

A special thanks to all of you who help promote us to your own family and friends. Our business continues to grow because you all help spread the word.

We strive to make Quilt Beginnings a very special place to be. If there is ever anything we can do to make Quilt Beginnings even better, please give me a call. Your feedback helps us to improve.

I hope to see you soon--

Cathy
