

Meet Brian Bailie

The Embroidery Guru!

Learn how to get the most out of your embroidery machine!

If you love embroidery, then you won't want to miss this exciting event with Brian Bailie. We are honored to have Brian come to Quilt Beginnings, as he only travels to a very select number of destinations each year.

The man behind Designer's Gallery Software is ready to show you how to solve embroidery problems by using the right tools. His tips apply to ALL embroidery machine owners.

Brian has spent years finding ways to make machine embroidery fun, easy & creative. Be there as Brian takes the mystery out of embroidery software with an easy-to-follow demonstration and informative lecture.

Join us for the day (lunch included) for \$29. This event is at Broad.

Saturday, Nov. 6 from 9a-5p
